Birthday Party Themes

Choose one of these themes to focus on during your birthday celebration!

Twirltopia Princess Party

Celebrate your birthday princess (or prince!) with a royal visit to Twirltopia! Guests will be transported to the magical kingdom of Twirltopia where they'll learn fun dance moves that help them sparkle and shine. Wear your favorite princess or prince attire to the Royal Ball to show off our new moves! Princesses and Prince Charmings alike will love this magical birthday adventure.

PAWty with my Pet

For a PAWsitively good time, guests are invited to bring their favorite stuffed animal with them (no real pets allowed) as we go on an adventure. We'll teach our pets some new tricks (ahem, dance moves) and end up at a super fun Dance PAWty. This theme is PURRRfect for those pet-loving birthday kids who just want to unleash the fun!

Popstar Party

Love to be the star of the show? Then the Popstar Party is for you! Gather your friends and get your dance crew ready to strut their stuff as we learn a dance combo featuring the birthday star and get creative during our choreo craze game! Wear your most sparkly Popstar attire to be a star at this party! Everyone is sure to leave this party feeling starstruck!

Traditional Birthday Party

Prefer to have a traditional celebration or have another theme in mind? We'll provide the space and a birthday goodie bag, and you can decorate however works best for your dancer's special day. Please let us know what you have in mind for the celebration during your consultation call and we can help coordinate.
