

FUNDRAISING

Types of Fundraisers

KayKo currently offers one Fall fundraiser and one Spring fundraiser opportunity. Fundraisers are optional and are designed to accommodate different interests/schedules in an effort to supplement tuition and costume fees. If additional fundraising opportunities are wanted, a parent committee can be formed to facilitate group opportunities throughout the year.

How Fundraising Works

- **Participation:** Fundraising participation is optional but highly encouraged. It's a great way to get involved, meet other families, and contribute to our team's success.
- **Goal Setting:** Each fundraising initiative has a specific goal, which helps us track our progress and celebrate our achievements as a team.
- **Transparency:** We are committed to transparency in our fundraising efforts.

Benefits of Fundraising

- **Reduced Costs:** Funds raised through these initiatives help offset the costs of competitions, costumes, camps, and travel expenses, reducing the financial burden on individual families.
- **Team Building:** Fundraising activities promote camaraderie among dancers, parents, and instructors. Working together toward a common goal strengthens our sense of community and teamwork.
- **Skill Development:** Participating in fundraising activities teaches valuable skills such as leadership, communication, and event planning, which are beneficial both on and off the dance floor.

By participating in fundraising opportunities at KayKo Baton Studio, you're not just raising funds—you're investing in our team's success and helping to create memorable experiences for our students.

Get Involved

We are looking to form a parent fundraising committee to plan and execute additional fundraising events throughout the year. Please reach out to hello@kaykostudio.com if you are interested in volunteering.
